

The UK Tracking Dog Association

Certificates / Rosettes / Progression

Effective 1st May 2016 Certificates and Rosettes will be awarded as follows:

Level One: As soon as you have been successful, please submit your completed Assessment form, together with the relevant payment. Your Level One Certificate and Rosette will be returned to you and you will be able to progress to your Level Two Assessments.

Level Two: Please submit each completed Assessment form, together with the relevant payment to the Administration team. Each Level Two Certificate and rosette will be returned to you. Once you have received 2 x Level 2 awards, you will then be able to progress to your Level Three Assessments.

Level Three: Please submit each completed Assessment form, together with the relevant payment, as soon as you have been successful, to the Administration team. Each Level three Certificate and rosette will be returned to you. Once you have achieved 3 x Level 3 awards a certificate confirming your full qualification will be sent. Should you wish, an engraved Tag is also available to purchase to record the Award of Qualified UK Tracking Dog.

Please remember, progression between Levels is dependent on submission of your Assessment forms to the Administration team together with the relevant payment.

For further information about this matter and / or to find out where to send your completed Assessment forms and relevant payments, please FB message a **member of the Administration team**.
